

"Dig A Pony"

The Beatles

From *Let It Be* (1970)

I dig a pony

Well you can celebrate anything you want

Well you can celebrate anything you want

I do a road hog

Well you can penetrate any place you go

Yes you can penetrate any place you go

I told you so, all I want is you

Everything has got to be just like you want it to

Because...

I pick a moon dog

Well you can radiate everything you are

Yes you can radiate everything you are

Oh now

I roll a stoney

Well you can imitate everyone you know

Yes you can imitate everyone you know

I told you so, all I want is you

Everything has got to be just like you want it to

Because...

Oh now

I feel the wind blow

Well you can indicate everything you see

Yes you can indicate everything you see

Oh now

I load a lorrey

Well you can syndicate any boat you row

Yeah you can syndicate any boat you row

I told you so, all I want is you

Everything has got to be just like you want it to

Because...
